Hi-vis polo shirt

This stylish hi-vis polo shirt has been specially designed for your comfort. The easily washable fabric has good breathability so that moisture is quickly absorbed and drained and you never get a clammy feeling. For optimum ventilation, we worked a mesh into the underarms. Elastic reflective strips that move with you are sewn onto the soft fabric. As a design touch, the turnover collar and the cuffs on the short sleeves have a contrasting colour.

Hi-vis polo shirt

Molina - 3879A2MV1
