Hi-vis shirt with ARC protection

Feel comfortable and safe in this hi-vis shirt with arc protection. The light fabric is not only flame retardant and anti-static, but has good moisture-regulating properties. The shirt is fitted with welded, segmented reflective tape to increase your visibility. The flaps of the two patched chest pockets are finished with a contrasting colour piping and give the shirt a fashionable look.

Hi-vis shirt with ARC protection

Colne - 068VA2PIC
