SIO-SAFE™
ESSENTIAL LIGHT

Hi-vis jacket with ARC protection

This multifunctional hi-vis arc jacket attracts attention: double stitched reflective FR strips, two patched chest pockets and two regular pockets with concealed press studs closure and a finish with piping in contrasting colour. The breathable and very light (260 g/m²) fabric with moisture-regulating properties gives you a pleasant feeling while still providing excellent protection against heat and metal splashes. In addition, this lightweight arc jacket is anti-static.
